

DO YOU KNOW WHAT THE URBANIZATION OF DOWNTOWN CARY IS GOING TO COST YOU?

YOUR TOWN COUNCIL DOESN'T.

DEMAND FISCAL ACCOUNTABILITY FROM YOUR TOWN COUNCIL

The town is spending its way into irreversible urbanization of Downtown Cary. The town has spent \$35 Million on downtown urbanization projects with no long term plan in place to achieve fiscal responsibility. There is no schedule, no final cost, and no end in sight. Demand Town Council suspend all work in order to develop a comprehensive fiscal responsibility policy for downtown development which recognizes the serious long term implications of continuing this unchecked pattern of spending.
